Call Your Congressman

Hi, my name is _____, I'm a constituent from [give your city and zip code]. I'm calling because I strongly support the National Endowment for the Arts and the National Endowment for the Humanities, and the important artistic, cultural, and scholarly projects they support. I expect [representative/senator's name] to make sure the Endowments are fully funded in this year's budget so they can continue their important work. Thank you for the work that you do.
